

## About TwentyEighty Strategy Execution

ESI International has merged with IPS Learning to form a new company, TwentyEighty Strategy Execution.

At TwentyEighty Strategy Execution, we deliver learning solutions that help professionals to execute their project-based work more efficiently, and to improve the alignment between project execution and strategy.

## TwentyEighty Strategy Execution

Our core expertise covers:

- **Technical Project Management Training**
  - Portfolio, programme and project execution
  - Business analysis
  - Contract management
  - Agile Project Management
- **Leadership and Communications Training**
- **Strategic and Business Management Training**
  - Strategy Execution and Project based work alignment
  - Strategy Execution and Resource Management

## Our Accreditors

### TwentyEighty Strategy Execution and PMI

We have a long standing relationship with the PMI and are the official training partner of the PMI UK Chapter. Our courses are aligned with the PMI's A Project Management Body of Knowledge (PMBOK®) guide and are suitable for those working towards the PMI's Project Management Professional (PMI) Certification. Our courses also carry Professional Development Units (PDUs).

### TwentyEighty Strategy Execution and IIBA

TwentyEighty Strategy Execution is proud to be a charter Endorsed Education Provider (EEP) of the International Institute of Business Analysis (IIBA). All of our Business Analysis courses are accredited by IIBA and aligned with the Business Analysis Body of Knowledge (BABOK® Guide).

### TwentyEighty Strategy Execution and The George Washington University

Each course you take with us brings you one step closer to receiving a professional industry certification with the GWU, our academic partner. Through this partnership we also offer globally recognised certifications reflecting every stage of your professional career.

## TwentyEighty

TwentyEighty Strategy Execution is part of one of the world's leading and largest performance learning organisations, TwentyEighty, which has expertise in sales, leadership and credit compliance as well as Strategy Execution.

## What does the name TwentyEighty mean?

TwentyEighty represents the fact that we learn from the top 20 percent to shape, develop and grow the remaining 80 percent.

TwentyEighty gathers an umbrella of large learning brands, including Miller Heiman, AchieveGlobal, Huthwaite, Channel Enablers, Impact Learning (forming MHI Global), ESI International, IPS Learning (forming TwentyEighty Strategy Execution), The Forum Corporation, VitalSmarts and Omega Performance.
